

ACTIVLIM-Stroke Questionnaire

Name:

Date:

Could you, please, indicate how difficult you perceive each of the following activities?

- Considering that you perform the task without technical or human assistance, whatever the strategy involved
- Tick “?” for unfamiliar activities you cannot estimate the difficulty (because you never need to do them, not because they are impossible).

		Impossible	Difficult	Easy	?
01	Walking more than one kilometer				
02	Ringing a doorbell				
03	Carrying a heavy load				
04	Picking up something from the floor				
05	Using the toilet				
06	Getting out of bed				
07	Brushing one's teeth				
08	Taking a shower				
09	Putting on socks				
10	Getting out of a car				
11	Turning in bed				
12	Tying one's laces				
13	Taking off a t-shirt				
14	Opening a door				
15	Sweeping or vacuuming				
16	Putting the dishes in the cupboard				
17	Getting up from a chair				
18	Standing for a long time without support				
19	Walking upstairs				
20	Putting a key in a lock				

Please, make sure you have read and completed all items.
